

THE History and Philosophy of Geology Division Newsletter

Volume 35, Number 1

<http://gsahist.org>

February 2011

Questions, Comments and so forth are always welcome as are your suggestions for content. Please send to the Newsletter Editor, Jane Davidson

Information for the application for Student Award and new guidelines see: ([printable pdf](#)).

Internet resource for history of geology:

The debate over glacial theory was a major episode in the history of geology. Original sources and other resources for teaching about this episode and for reference will soon be available online at this new website.
